

The Peoria City/County Landfill will reach capacity soon.

What happens when it fills up?

GFL is building a transfer station in Pottstown, which is estimated to open in early 2026.

When the landfill closes, and before the transfer station opens, there will be changes to the free load program and how construction debris is managed.

The landfill closure will not impact residents that have their waste picked up curbside under a contract through their municipality. It will impact residents who utilize the free load program, bring construction debris, or dispose of large items at the landfill.

An exact closure date is not know. The landfill is estimated to reach capacity in early 2025.

Free load and construction debris changes

Will the free load program continue?

Yes. While the landfill is open, the free load program will continue as is. Once the landfill closes, residents may take a weekly free load to the following locations:

- Indian Creek Landfill: 24501 McMullen Rd, Hopedale • open Monday-Friday, 7 am-3:30 pm; Saturday, 7 am-12 pm
- Wigand Transfer Station: 19908 N Route 29, Chillicothe • open Monday-Friday, 7 am-3 pm

The free load program is for household waste only.

Where can I take construction debris?

Once the landfill closes, construction debris may be taken to:

- Wigand Transfer Station: 19908 N Route 29, Chillicothe
- Indian Creek Landfill: 24501 McMullen Rd, Hopedale
- Tazewell Transfer Station: 3550 E Washington St, East Peoria

Gate rates may vary.

New trash and recycling services available countywide

GFL

As part of the negotiated contract, GFL will offer all Peoria County residents in unincorporated areas the option to sign up for curbside trash and recycling service at a flat rate of \$42.50 per month with no additional fees. This offer is open to all residents not already under a municipal contract with their city or town.

The subscription program will be available once the landfill closes. Call GFL at 309-688-0760 to sign up for service.

Waste Management

Waste Management currently offers curbside trash and recycling services for all residents in unincorporated areas. Rates vary by location.

Sign up at wm.com/curbside or call 1-855-965-2671.

Residents are not required to sign up for these programs. You may continue using a different hauler or utilizing the free load program.
